

FINANCIAL REPORT 2017

2017 was the third year for our foundation and was mainly focused on the Satellite Symposium preceding the EOU Conference in Turku. We managed to both sell all the t-shirts plus the organizational costs turned out to be much lower. Funds will be invested towards future travel grants. It was the first year that we could provide such a grant which helped two people to attend the beforementioned symposium.

The following overview shows the revenue and expenditure of the foundation for 2017.
